Escape to an isolated island resort that you have dreamed of. Located on north Tapao beach of "Kohkood", the last preserved island of Trad Province. Here at "Shantaa", a boutique resort on Kohkood, you can truly get away from your busy life. You will wake to the gentle breezes rustling through the coconut trees, spend all day with your favorite book, hear the waves roll onto the shore, watch the beautiful sunset in the evening and then join us at the restaurant for a candlelight dinner prepared by our local chefs before having a good night sleep in our warm and beautiful accommodations.
